### Feasts this week

Tuesday - St. Gregory the Great

### The Word : God lifts up the lowly and brings down the proud; Be Humble!

Humility is from the Latin "*humilitas*" meaning lowliness or close to earth. The root word is "*humus*" which means soil. To be humble is literally seen as being down-to-earth. Humility goes with selflessness; hence anyone who is selfish would have a hard time being humble. Humility is not the same thing as self-humiliation neither is it low self-esteem nor foolishness. Pride, its opposite and a vice is worn by many as a garb. Scripture tells us that pride goes before destruction and a haughty spirit before a fall (Proverbs 16:18). Viewed from the opposite direction, humility goes before honour and success. (Prov.18:12b;29:23b). It takes humility to know God and to love God and our neighbours. It takes humility to pray. It takes humility to let go and to let God, to repent from one's sins; to say "I am sorry". One of the problems with our human society today is that there is the prevalence of pride but scarcity of humility.

**Quotes:** "Humility is the mother of all virtues; purity, charity and obedience. It is in being humble that our love becomes real, devoted and ardent. If you are humble nothing will touch you, neither praise nor disgrace, because you know what you are. If you are blamed you will not be discouraged. If they call you a saint you will not put yourself on a pedestal." - **Mother Theresa**
