Remember the October devotion to Mary – pray your Rosary

The Word :Pray Persistently, Prayer Never Fails!

God demonstrated to the Israelites that he was the one in charge of their lives, history and circumstances. Of course, their success depended totally on Him. Moses did unceasing intercession for his people. Through his action and intercession, he gave credence to this popular saying that: "Prayer is the master key to success." As long as Moses' hands were lifted up to God in prayers, the Israelites soldiers were victorious in battle. This reminds us that our victory in life depends much on God. It also reminds us that the solution to our daily struggles and quest have both a spiritual and physical dimension. If we neglect God in our daily struggles while trusting only in the arm of our flesh, we might not make it. So, we must be steadfast in prayer. Also, we must do what we have to do. In other words, pray and action.
