The Word: **God Is a Just Judge!**

Self-righteous people often judge people wrongly because of their own weakness of mind and ignorance of how God operates. Such people look at themselves as the role model that others must imitate, or as if they are the only holy ones. They always wear the "holier than thou attitude." So, they are quick to condemn others. However, God judges differently. We must not place ourselves where we do not belong, and place others where we feel they should be. Rather, we must humbly acknowledge our nothingness, vulnerability and weakness before God, the Just Judge. Christ, the Just Judge who acquitted the humble tax collector says to us today: "Everyone who exalts himself will be humbled, but the man who humbles himself will be exalted."

Nugget of Wisdom :

The true measure of a man's character is how he treats one who can do him absolutely no good.

Quote: "It was pride that changed angels into devils; it is humility that makes men as angels."

–St Augustine
